

# Making the Most of Your SAI Tools

**Paula Sabb**

*Chief Customer Officer*

# Your Value Experience

Dedicated resources to ensure value throughout your journey

## **Partner With You**

We collaborate to identify your key value drivers, build success plans, and align strategy around outcomes that matter.

## **Engaged at Every Step**

From adoption to ongoing account health and technical support, we stay actively involved to keep everything on track.

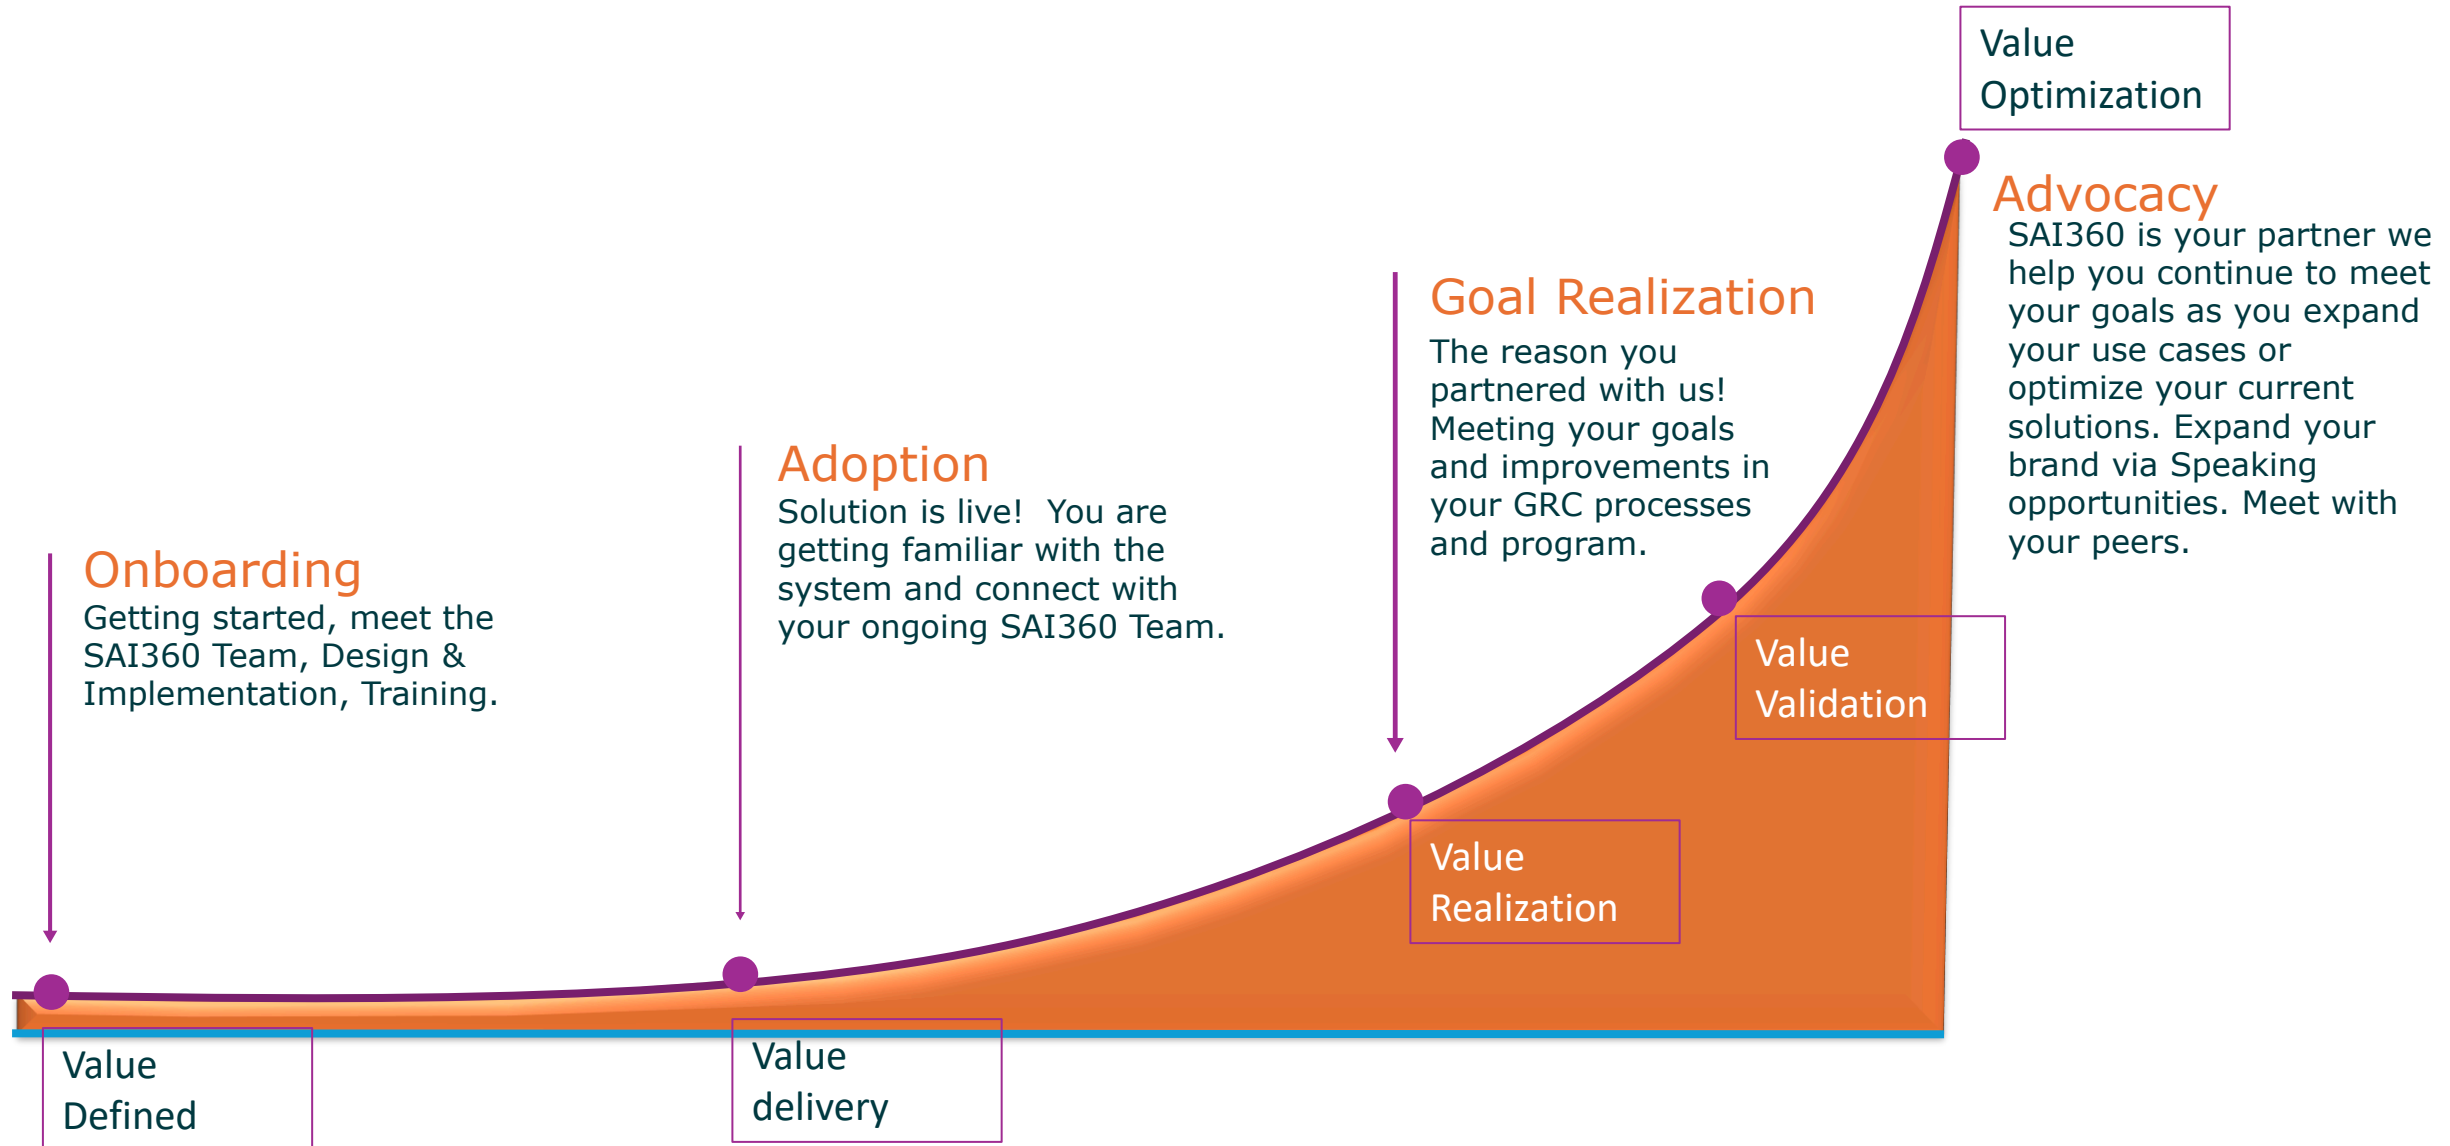

## **Grow Together**

Together, we advocate for our partnership and drive measurable ROI through new products and services.

# Driving Value Alignment to Your Journey

# SAI360 Academy Blended Approach

## **Self-paced pre-work**

Learn at your own pace and take training around your schedule.

## **Dedicated Training Environment**

Complete activities in a dedicated platform to practice what you've learned.

## **Working Sessions/Q&A**

Working sessions or Q&A session with SAI360 experts.

## **Unlimited Access**

View as often as needed, transferable to a new admin.

# Customer Success Packages

Continuous Support, Consistent Success

## Dedicated Expertise

You'll have access to a consistent team of specialists who know your system inside and out.

## Budget Control

With predictable pricing, you avoid unexpected expenses and keep your operational costs under control.

## Flexible Service Delivery

Whether it's for system optimization, reporting, or upgrades, we give you complete flexibility in how and when you engage our experts.

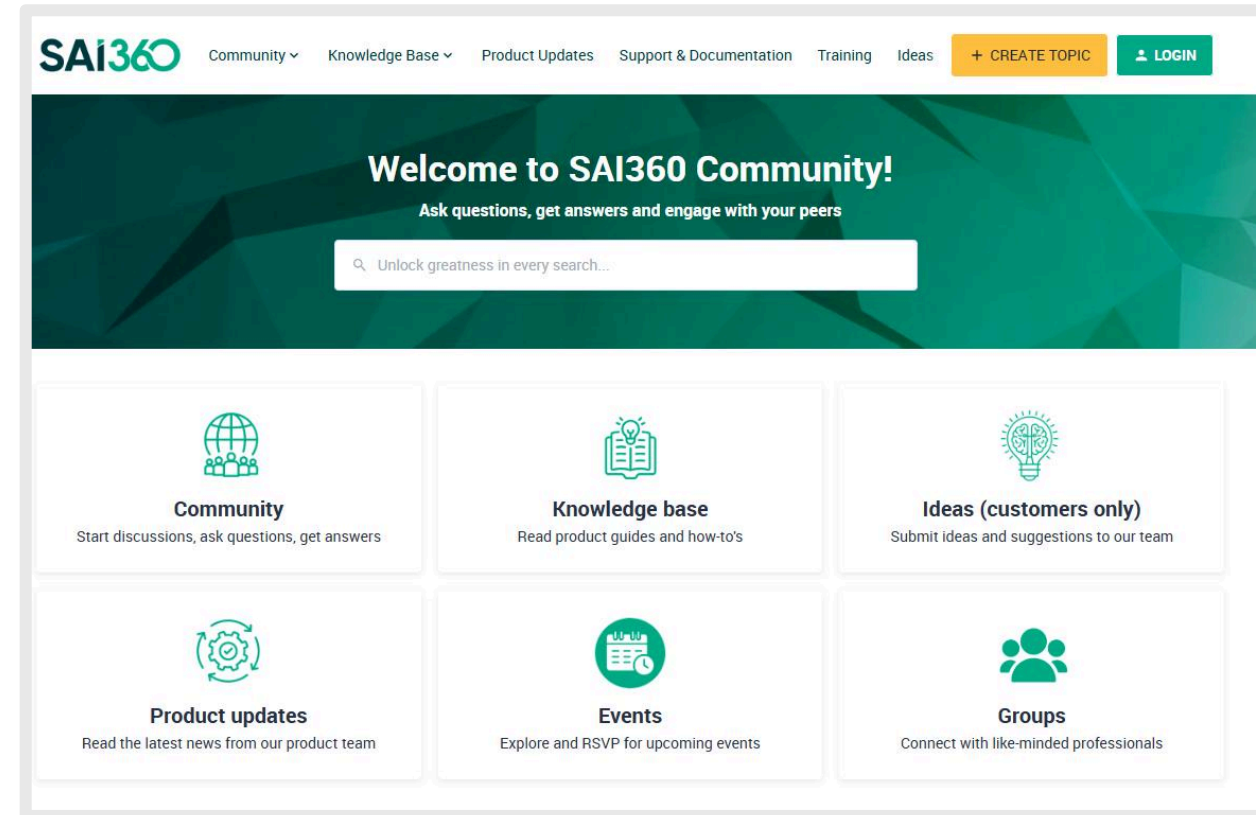

## Priority Access

Ensure your projects and service requests are handled quickly and efficiently to keep you on track.

Upgrades • Maintenance • Health Checks • New Modules • Integrations • Reports • Dashboards

# SAI360 Community
